### 2004 COMPREHENSIVE PLAN UPDATE COMMITTEE MEETING MINUTES FEBRUARY 12, 2015

PRESENT: Ron Slone, Joanne Klepetar, Steve Streicher, Chris Ramsdill, Jaclyn Hakes, Robert Barrett, Amy DiLeone, Ryan Riper, Sarah Quandt and Lucy Harlow.

APPROVE PENDING MINUTES: January 22, 2015 Minutes: Approval postponed until next meeting.

Chapter V Prioritization Exercise: The exercise gives the opportunity to the committee members to prioritize the actions they would choose as they are listed in the Implementation Priority Table in Chapter 5. The actions are broken down into categories of short-term, on-going, medium-term and long term. The goal of the exercise was to focus and narrow down the actions listed in the table and have the committee members pick their top five overall priorities. Those actions which have the most votes in terms of priority will be incorporated into the table in the revised Chapter 5. The committee will have a chance to look at the revised table before it is finalized. See attached matrix which documents the committee's priorities to be included in the revised Implementation Priority Table.

Approved: February 26, 2015.
