Mr. Riper addresses the items in his review letter to the Board.

Mr. Riper reply’s to public comment regarding spills. They are reportable spills per NY State DEC spill control. There are rules and regulations for reporting spills.

Public Comment Addressed:
- Mr. Barber says all their equipment is in good shape.
- They do not store any hazardous materials, and all other martials are stored inside.
- They have never had a spill and if they did it would be reportable to DEC.
- Materials would consist of culvert pipe, lumber, and concrete forms.
- They hire professional mechanics to service their equipment.
- All employees are trained on how to report hazardous spills.

Town Counsel Brian Reichenbach reads the SEQRA Part II questions to the Board.

Part II questions are:
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations? “No “
2. Will the proposed action result in a change in the use or intensity of use of land? “No “
3. Will the proposed action impair the character or quality of the existing community? “No “
On a motion introduced by Erinn Kolligian, the Board adopts the following resolution:

NOW, THEREFORE, BE IT RESOLVED, that the Planning Board for the Town of Wilton adopts a negative declaration on SEQRA for subdivision by JAG 1, LLC, Tim Barber for a proposed two-phase development of JAG Construction Warehouse. Property located on Lot 8 on Blue Lupine Lane on 4.76 acres, Tax Map No. 128.-1-100; zoned C3.

Project Overview:
- The project is located on 8 Blue Lupine Lane.
- The project will be done in two phases.

- Provided responses to Mr. Riper’s review letter.
- There are not many changes since we were last before the Board in October.

Mr. Riper addresses the items in his review letter to the Board.

Mr. Riper would like to note that there is new determination from the Zoning Officer on the use.

Public Comments Addressed:
- Todd Smith states the size of the café itself, the kiosk coffee counter would be similar to the Starbucks at Albany Airport. It would be 24 ft. long 10-12 ft. deep, 250 sq. ft. for a place to make a coffee, prepare a pot of soup or heat up a pastry or make a cup of tea. It is not a kitchen as Mr. Mykins notes.
- Still figuring the exact number of tables, maybe 10 with seating for two or four.
- Intension of the tables during the season to spread them through the permeable patio area so if the weather is nice patrons can sit outside.
- The idea behind the garden café is patrons can enjoy their coffee and lite fare in and around the garden.

Chairman Dobis asked if there were any other questions or comments. There were none.
