

Dear Wilton Residents,

In order to maintain the safety and wellbeing of all of our residents and staff the following is a list of our closures;

Gavin Park is closed to the public including walking trails, tennis courts, basketball courts, playgrounds and pavilions.

The Senior Center is closed.

All Town buildings are closed to the public. Town Hall, Court and Highway Departments are working with abbreviated staff and hours. Please call if you need assistance. If there is no answer, leave a message. You may also email staff as most have access to their emails. The main number is 518-587-1939.

Wilton Planning Board and Zoning Board of Appeals meetings have been canceled for March. Please check our website for additional meeting cancelations and restrictions.

Tax bills, dog licensing and handicap parking permits may all be mailed to 22 Traver Road. Building permit applications are available online.

Please remember to help others by sharing information to those who do not have access to the internet.

If you know an elderly resident who needs help getting groceries, please follow the link below. You can also volunteer by following the link.

The Wilton Food Pantry is offering curbside pickup only.

Walmart and Market 32 offer grocery delivery through a third party vendor. They also offer curbside pickup.

Target offers curbside pickup.

Many local restaurants are offering delivery and take out. Please support our local businesses when you can.

As always, call or check the websites for availability on any services.

We thank you for your patience during this extremely difficult time. We can reduce exposure to ourselves and others by following the social distancing guidelines.

Be safe and be well,

John J. Lant
Supervisor
