

YOU'RE INVITED!

The Champlain Hudson Power Express (CHPE) project is hosting an open house to stay engaged with the Town of Wilton as we build New York State's low-cost renewable energy future. The open house will be hosted by members of the project's land, construction, and community engagement teams who will be available to answer your questions and provide community specific information.

**You can always reach us at:
(800) 991-CHPE (2473)
with any questions or
accommodation requests.**
